LETTER FROM THE CO-FOUNDER AND CHAIR OF ACUSENSUS LIMITED

RAVIN MIRCHANDANI

Dear Shareholders,

On behalf of the Directors of Acusensus Limited, it is my pleasure to invite you to join our 2024 Annual General Meeting, which will take place on Thursday, 21 November 2024 at 10:30am (AEDT) at Dexus Place, North Tower, Level 6, 80 Collins Street, Melbourne VIC 3000. If you cannot attend in person, you are invited to watch the live webcast online and can register to do this via the instructions in the Notice of Meeting. If you choose to watch the meeting via the webcast, any proxy appointments and questions will need to be submitted prior to the meeting by following the instructions in the Notice of Meeting.

At the Annual General Meeting, Acusensus' Managing Director, Alexander Jannink, and I will update shareholders on the performance of Acusensus, including on some of the important achievements over the 2024 financial year. Further information on Acusensus' financial performance and operations is included in the Annual Report for the 2024 financial year, which can be accessed on the Acusensus Investor Centre website at <https://investors.acusensus.com/investor-centre/> or via the ASX market announcements platform.

Acusensus remains focused on fostering a positive change in driver behaviour, which is the same objective that saw the Company founded in 2018. In the past year, our dedicated and proficient team has achieved remarkable progress. We are proud to have advanced our growth strategies, including with the successful deployment of Heads-Up fixed site solutions to detect motorists using mobile phones in South Australia, which renders half of Australia's states

and territories currently using our solutions to address distracted driving. We have also expanded our international footprint, particularly in the United Kingdom and the United States where we continue to invest. This saw revenue from outside of Australia grow from one per cent in the 2023 financial year to four per cent in the 2024 financial year. New product development and enhancement of our existing solutions has also been in sharp focus, which has included the pilot of our Road Worker Safety solution technology with Fulton Hogan, a large construction company in Australia and New Zealand with over 9,000 staff.

The Annual General Meeting is an important opportunity for shareholders to vote on matters that are important to you and for the Board to hear from you. The Board encourages you to vote on the resolutions put before the meeting and to ask questions, as per the instructions in the accompanying Notice of Meeting.

I look forward to welcoming you to our Annual General Meeting and thank you for your continued support of Acusensus.

Yours faithfully,

A body corporate appointed as a Shareholder's proxy may appoint a representative to exercise any of the powers the body may exercise as a proxy at the Meeting. The representative should bring to the Meeting evidence of their appointment, including any authority under which the appointment is signed.

If a Shareholder has not directed their proxy how to vote, the proxy may vote as the proxy determines. If you appoint the Chair of the Meeting as your proxy, you can direct the Chair how to vote or you can choose not to indicate your voting intention. If the Chair is your proxy, either by appointment or by default, and you have not indicated your voting intention, you expressly authorise the Chair to exercise the proxy in respect of Items 2, 4, and 5 even where these Items are connected directly or indirectly with the remuneration of the Company's KMP. The Chair intends to exercise all available proxies in favour of all Items, unless the Shareholder has expressly indicated a different voting intention.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the 2024 Annual General Meeting of the Company.

This Explanatory Statement should be read in conjunction with, and forms part of, the accompanying Notice of Meeting.

The purpose of this Explanatory Statement is to provide information to Shareholders to help them decide whether or not to pass the resolutions set out in the Notice of Meeting.

Details

Item 1: Annual Financial Report

Section 317 of the Corporations Act requires the Company's Financial Report, Directors' Report and Auditor's Report for the financial year ended 30 June 2024 to be laid before the Company's 2024 Annual General Meeting. There is no requirement for a formal resolution on this item.

The Financial Report contains the financial statements of the consolidated entity consisting of Acusensus Limited and its controlled entities.

A copy of the Company's Annual Report can be accessed on the Acusensus Investor Centre website at <https://investors.acusensus.com/investor-centre/> or via the ASX market announcements platform. A printed copy of the Company's 2024 Annual Report has been sent to those Shareholders who have elected to receive a printed copy.

The Chair of the Meeting will allow a reasonable opportunity at the Meeting for Shareholders to ask questions. Shareholders will also be given a reasonable opportunity to ask the Company's auditor, BDO Audit Pty Ltd, questions about the conduct of its audit of the Company's Financial Report for the year ended 30 June 2024, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in its preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

Item 2: Remuneration Report (non-binding resolution)

Shareholders are asked to adopt the Company's Remuneration Report. The Remuneration Report is set out in the Directors' Report and is included within the Company's 2024 Annual Report.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of certain members of the senior management team and the Company's performance;

- sets out the remuneration arrangements in place for each Director and for certain members of the senior management team; and
- explains the basis for remunerating Non-Executive Directors and certain members of the senior management team, including the Managing Director and CEO.

The vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will consider any discussion on this resolution and the outcome of the vote when considering the future remuneration policies and practices of the Company.

Voting Prohibition

In accordance with sections 250BD and 250R of the Corporations Act, a vote on Item 2 must not be cast:

- (in any capacity) by or on behalf of a member of the KMP details of whose remuneration are included in the Remuneration Report, or a Closely Related Party of such a member; or
- as a proxy by members of the KMP at the date of the Meeting, or their Closely Related Parties.

However, a vote may be cast as proxy by such person if the vote is not cast on behalf of a person who is excluded from voting on Item 2, and:

- the person is appointed as a proxy in writing that specifies the way the proxy is to vote on Item 2; or
- the proxy is the Chair and the appointment of the Chair as proxy does not specify the way the proxy is to vote on Item 2, but expressly authorises the Chair to exercise the proxy even if Item 2 is connected with the remuneration of a member of the KMP.

Directors' Recommendation

Noting that each Director has a personal interest in their own remuneration (as described in the Remuneration Report), the Directors unanimously recommend that Shareholders vote in favour of this non-binding resolution.

Chair's Voting Intention

The Chair intends to vote all available undirected proxies in favour of this non-binding resolution.

Item 3: Re-election of Non-Executive Director, Mr Ravin Mirchandani

Clause 15.4.3 of the Company's Constitution provides that at each AGM, one-third of the Directors (except for the Managing Director) or, if their number is not three or a multiple of three, then the number nearest but not exceeding one-third, shall retire from office by rotation. The Directors to retire in every year shall be those who have been longest in office since their last election but as between persons who became Directors on the same day shall (unless they otherwise agree between themselves) be determined by lot. A retiring Director is eligible for re-election pursuant to clause 15.4.4 of the Company's Constitution.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting. Under this resolution, Mr Ravin Mirchandani will retire at this Meeting and, being eligible, seeks re-election as a Director of the Company.

About Mr Ravin Mirchandani

Mr Ravin Mirchandani is the co-founder of Acusensus Limited and has been the Company's Chair since 16 May 2018.

He is also the Executive Chair of Ador Powertron, a company incorporated in India that is a major shareholder of Acusensus. Ravin has extensive commercial experience across a range of sectors including defence, energy, power electronics and traffic enforcement. Ravin is a member of the Road Safety Partnership Panel for the World Economic Forum Global Road Safety Initiative and Chair of the West India Chapter of the Indo Australian Chamber of Commerce.

Ravin holds a Master of Business Administration (International Business) from Queensland University of Technology, a Bachelor of Commerce (Accounting & International Business) from University of Pune, India and is also a Graduate of the Australian Institute of Company Directors.

Mr Mirchandani is an experienced Chair who brings deep expertise and experience to the Company and the Board. In recommending his re-election, the Board recognises Mr Mirchandani's valued contributions as Chair of the Board, as well as a member of the Company's Audit & Risk Management Committee and the Remuneration & Nominations Committee.

Voting Threshold

Item 3 is an Ordinary Resolution, which requires it to be passed by a simple majority of the votes cast by Shareholders entitled to vote on the resolution.

Directors' Recommendation

The Directors (with Mr Mirchandani abstaining) unanimously recommend that Shareholders vote in favour of this resolution.

Acting Chair's Voting Intention

The Acting Chair² of the Meeting intends to vote all available undirected proxies in favour of this resolution.

Item 4: Approval of Potential Termination Benefits Under Equity Incentive Plan

Background

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office if the benefit is approved by shareholders under section 200E or an exemption applies. Where shareholder approval is given under section 200E, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or

section 200G(1)(c) of the Corporations Act (i.e., the approved benefit will not count towards the statutory caps that otherwise apply to the granting of exempted termination benefits under the legislation).

ASX Listing Rule 10.19 provides that, without the approval of ordinary shareholders, an entity must ensure that no officer of the entity or any of its child entities (as defined in the ASX Listing Rules) will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that are or may become payable to all officers together exceed 5 per cent of the equity interests of the entity as set out in the latest accounts given to ASX under the ASX Listing Rules.

The Company is therefore seeking Shareholder approval for all purposes including section 200E of the Corporations Act and ASX Listing Rule 10.19 to approve the giving of benefits under the Equity Incentive Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or a subsidiary of the Company) on the terms and conditions described in this Explanatory Statement.

If shareholder approval is not obtained under this resolution, the Company will not be able to provide the described termination benefits under the Equity Incentive Plan unless another exemption applies. This may impact on the Company's ability to attract and retain its senior executives.

Equity Incentive Plan

Under the terms of the Equity Incentive Plan, the Board possesses broad discretion to determine the treatment of awards in the event that a participant ceases employment, office, or engagement with the Company (or a subsidiary), including that some or all of their awards issued under the Equity Incentive Plan (Awards) are forfeited, partially forfeited or retained and that vesting is unchanged or accelerated.

Exercising this discretion may constitute a "benefit" for the purposes of section 200B of the Corporations Act and ASX Listing Rule 10.19. Accordingly, the Board seeks Shareholder approval for the Board to allow it to exercise its discretion in appropriate circumstances to permit up to maximum vesting and also acceleration of vesting to the time at which the relevant participant to whom this resolution applies ceases employment, office or engagement under the Equity Incentive Plan.

If Shareholder approval is obtained, the value of the above benefits will, pursuant to section 200B of the Corporations Act, be excluded from the limits on termination benefits that may otherwise be provided to the Company's officers and holders of a managerial or executive office. The material terms of the Equity Incentive Plan are summarised in Schedule 3.

² Sue Klose will assume the role of Acting Chair for matters relating to Item 3 of the Meeting, as Ravin Mirchandani has a personal interest in Resolution 3 as it relates to his re-election.

Value of Termination Benefits

The maximum amount and value of the benefits to be provided pursuant to this approval is the amount of the relevant participants' maximum Equity Incentive Plan opportunity in relevant years, which is expressed as a percentage of the participant's fixed remuneration. The value of any termination benefits that the Board may give under the Equity Incentive Plan and the equity interests of the Company at the time such benefits may crystallise will not be known until the date of termination and therefore cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's share price at the time of vesting and the number of Awards that will vest. Nonetheless, the manner in which the amount or value of the potential benefit will be calculated and the matters, events and circumstances that will, or are likely to affect, the calculation of that amount or value include:

- the participant's length of service and the status of the vesting conditions attaching to the relevant Awards at the time the participant's employment, office or engagement ceases;
- the participant's base salary at the time the relevant Awards or underlying Shares were granted to the participant and the time they cease employment, office or engagement;
- the number of unvested Awards that the participant holds at the time they cease employment, office or engagement; and
- any other factors that the Board considers relevant when exercising its discretion.

It is therefore uncertain if benefits provided in connection with the Equity Incentive Plan in these circumstances would exceed the amount which is able to be granted without Shareholder approval under the Corporations Act and, together with any other termination benefits (if any) that are or may become payable to all officers of the Company, would exceed the amount which is able to be granted without Shareholder approval under the ASX Listing Rules. Accordingly, Shareholder approval is being sought under this resolution to provide the Company with future flexibility in case the provision of a termination benefit would exceed the thresholds under the Corporations Act or the ASX Listing Rules. It is noted that the Equity Incentive Plan and the components of an employee's remuneration may change from time to time in accordance with the needs of the Company, changing governance standards and market practices. Details of Acusensus' remuneration arrangements for KMP are disclosed in the Company's Remuneration Report. This approval is intended to apply to the Company's incentive arrangements as they apply over the period of this approval.

Period of Approval

The Board is asking Shareholders to provide the approval outlined above for a period expiring at the conclusion of the 2027 AGM. The Board may seek to refresh Shareholder approval at that meeting.

Voting Exclusion Statement

The Company will disregard any votes cast on this resolution:

- by, or on behalf of, an officer or other holder of a managerial or executive office of the Company or any of its subsidiaries who is entitled to participate in a termination benefit under the Equity Incentive Plan), or any of their respective associates, regardless of the capacity in which the vote is cast; or
- as a proxy by members of the KMP at the date of the Meeting, or their Closely Related Parties.

In addition, if any shareholder is likely to be appointed as a member of KMP or as a director of a Company subsidiary and wishes to preserve their ability to receive benefits under this approval, then that shareholder and their associates should not vote on this resolution in any capacity.

However a vote will not be disregarded if cast by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way;
- the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with an express authorisation given to the Chair to vote on the resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided that:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting and is not an associate of a person excluded from voting on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Threshold

Item 4 is an Ordinary Resolution, which requires it to be passed by a simple majority of the votes cast by Shareholders entitled to vote on the resolution.

Directors' Recommendation

The Directors (other than Mr Jannink, Ms Klose and Mr Giffurda, who are participants in the Equity Incentive Plan) unanimously recommend that Shareholders vote in favour of this resolution.

Chair's Voting Intention

The Chair of the Meeting intends to vote all available undirected proxies in favour of this resolution.

Item 5: Grant of Performance Rights to Managing Director and CEO, Mr Alexander Jannink

The resolution is being put to Shareholders to obtain approval for the grant of Performance Rights to Mr Alexander Jannink, the Company's Managing Director and CEO. The proposed grant of 320,834 Performance Rights relates to the long-term variable component of Mr Jannink's remuneration package for the 2025 financial year and is to be made under the Equity Incentive Plan. These Performance Rights constitute one component of Mr Jannink's total remuneration.

The terms and conditions of the Performance Rights are summarised in Schedule 2. If Shareholder approval is obtained, the Company will proceed to issue the Performance Rights to Mr Jannink. If Shareholder approval is not obtained, the Company will not be able to proceed with the issue of the Performance Rights, and the Company will have to consider alternative commercial means to incentivise Mr Jannink.

ASX Listing Rule 10.14

ASX Listing Rule 10.14 requires an ASX-listed company to obtain shareholder approval for the acquisition of securities (including performance rights) under an employee incentive scheme by specified persons, which includes a director, subject to limited exceptions. Mr Jannink is a Director of the Company and, therefore, Shareholder approval is being sought for the purposes of ASX Listing Rule 10.14.1.

Exception 14 in ASX Listing Rule 7.2 provides that ASX Listing Rule 7.1 does not apply where shareholder approval for an issue of securities is obtained under ASX Listing Rule 10.14. This means that, if Shareholder approval is obtained under this resolution, any Performance Rights the subject of this resolution granted to Mr Jannink, and any new Shares issued to Mr Jannink in satisfaction of those Performance Rights, will be excluded from the calculation of the Company's utilisation of its 15 per cent placement capacity under ASX Listing Rule 7.1 (i.e. the Company's capacity to issue further securities without Shareholder approval under ASX Listing Rule 7.1 will not be reduced by the number of these Performance Rights). If Shareholder approval is obtained, separate approval will not be required for the purposes of ASX Listing Rule 10.11, by virtue of ASX Listing Rule 10.12, Exception 8.

Information Required by ASX Listing Rules 10.15

The following information is provided to Shareholders in connection with the resolution:

- the Performance Rights will be issued under the Equity Incentive Plan to Mr Jannink (or his nominee);
- Mr Jannink falls into the category stipulated by ASX Listing Rule 10.14.1 by virtue of being a Director of the Company;
- 320,834 Performance Rights will be issued to Mr Jannink if Shareholder approval is received for this resolution;
- Mr Jannink's total remuneration package (for the financial year ending 30 June 2024 (FY24)) was \$578,055 as set out in the Company's FY24 Annual Report. Mr Jannink's remuneration for the current financial year will continue to consist of a base salary and variable components relating to his STI and LTI outcomes, which include fixed annual remuneration of \$385,000 per annum (including superannuation); STI (at risk) up to 30 per cent of fixed annual remuneration; and LTI (at-risk) up to 50% of fixed annual remuneration. This resolution is not seeking approval for the total remuneration of the Managing Director, rather it relates to the issue of securities to the Managing Director (as a Director) under the Equity Incentive Plan, which is one component of his total remuneration;

- Mr Jannink has previously been granted 281,573 Performance Rights for nil consideration under the Equity Incentive Plan as approved at the Company's 2023 Annual General Meeting and as set out in the Notice of Meeting dated 13 October 2023;
- Mr Jannink has previously been granted 510,660 Options for nil consideration under the Equity Incentive Plan as set out in the Company's Prospectus dated 6 December 2022;
- the Performance Rights will be issued on the terms and conditions in Schedule 2 and a summary of the material terms of the Equity Incentive Plan is set out in Schedule 3;
- Performance Rights are proposed to be granted as they create share price alignment between participants and Shareholders, but do not provide participants with the full benefits of share ownership (such as dividend and voting rights) unless and until the vesting conditions are satisfied, the Performance Rights vest and are exercised;
- the Company's valuation of the Performance Rights is \$0.60 per Performance Right. The value was determined using a 20-trading day VWAP of Shares up to and including 30 June 2024;
- the Performance Rights will be issued to Mr Jannink (or his nominees) as soon as practicable following the Meeting and in any event not later than three years after the Meeting;
- the Performance Rights will be issued for nil cash consideration and will be provided as an incentive component of Mr Jannink's remuneration package;
- no loan is provided by the Company in relation to the grant or exercise of Performance Rights proposed to be awarded to the Managing Director under the Equity Incentive Plan;
- details of any Securities (including Performance Rights) issued under the Equity Incentive Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14; and
