### About Acusensus

Acusensus is a technology company that was founded in 2018 with a mission to design and develop artificial intelligence enabled road safety solutions. Collaborating with governments and commercial stakeholders to tackle distracted driving globally is Acusensus' first priority.

Acusensus has pioneered intelligent solutions that provide anywhere, anytime digital evidence that can be used in conjunction with law enforcement to drive behavioural change and improve road safety. Acusensus technology is used to detect and provide prosecutable evidence of distracted driving (mobile phone use), seatbelt compliance, speeding, railway crossing compliance and the monitoring of vehicles of interest.

Acusensus listed on the Australian Securities Exchange in January 2023. Acusensus is headquartered in Melbourne, Australia, with offices also in Sydney, Brisbane, Perth, Auckland (New Zealand), London (United Kingdom) and Las Vegas (United States).

*Dividends*

There were no dividends paid, recommended or declared for the half-year ended 31 December 2024 nor for the comparative half-year ended 31 December 2023.

*Comments*

The consolidated entity's revenue for the half-year ended 31 December 2024 totalled \$28,787k, an increase of 16.4% in comparison to the half-year ended 31 December 2023, where revenue totalled \$24,735k. The increase in revenue is largely due to:

- Commencement of South Australia fixed mobile phone detection contract;
- Increased scope from existing customers (additional trailer units for Queensland mobile phone and seatbelt and Queensland speed contracts and turning on the seatbelt enforcement module for New South Wales mobile phone contract);
- Growth from international markets; and
- Inflation based increases in selected existing contracts.

The consolidated entity generated an operating loss after income tax expense of \$511k (31 December 2023: operating loss after income tax expense of \$241k). Despite revenue growth, the operating loss after income tax expense has increased due to lower other income and higher operating expenses as the business invested for future growth.

**Half-Year Financial Statements – 31 December 2024**

The Directors present their report, together with the financial statements, on the consolidated entity (referred to hereafter as the 'consolidated entity') consisting of Acusensus Limited (referred to hereafter as the 'Company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2024.

### **Directors**

The following persons were Directors of Acusensus Limited during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

Alexander Jannink  
Ravin Mirchandani  
Susan Klose  
Michael Giuffrida

### **Principal activities**

During the financial half-year the principal activities of the consolidated entity consisted of the provision of world-leading technology to detect and capture prosecutable evidence of drivers' illegal mobile phone use, seatbelt use, and speed detection.

There has been no significant changes in the nature of these activities during the half-year.

### **Review of operations**

The consolidated entity's revenue for the half-year ended 31 December 2024 totalled \$28.8 million. This represented an increase of 16% compared to the half-year ended 31 December 2023. The increase in revenue is largely due to:

- Commencement of South Australia fixed mobile phone detection contract which started to ramp up operations from April 2024;
- Increased scope from existing customers (additional trailer units for Queensland mobile phone and seatbelt as well speed contracts and turning on the seatbelt enforcement module for New South Wales mobile phone contract);
- Growth from international markets; and
- Inflation based increases in selected existing contracts.

The consolidated entity generated an operating loss after income tax expense of \$0.5 million (31 December 2023: operating loss after income tax expense of \$0.2 million). Despite revenue growth, the operating loss after income tax expense has increased due to lower other income and higher operating expenses as the business invested for future growth.

Acusensus was awarded, expanded or extended a number of new material contracts since 1 July 2024, including the following:

- On 21 October 2024, Western Australia Road Safety Commission executed a contract with Acusensus for the supply of transportable multifunction Heads-Up solution with an estimated base contract value (prior to any variable elements) of \$9.4 million (excluding GST) over the initial three-year term
- On 4 December 2024, New Zealand Transport Agency Waka Kotahi awarded Acusensus as the successful supplier in a tender for nationwide mobile speed camera enforcement in New Zealand. Estimated value of NZ\$92 million (excluding GST) over the initial five-year term.<sup>1</sup>
- On 11 December 2024, Queensland Department of Transport and Main Roads expanded its existing mobile phone and seatbelt contract with Acusensus to add transportable enforcement units over the next 18 months. Incremental contract value estimated to be \$27.4 million (excluding GST) over the initial five-year term.

---

<sup>1</sup> Contract for establishment and preparatory work signed with estimated value of NZ\$5.2m (excluding GST). Contract for statement of work for full service delivery subject to final negotiation and agreement.

### **Review of operations (continued)**

The business has continued to build interest and awareness in the Company's solutions outside of Australia with the international business contributing to 7% of group revenue for 1H FY25. This is expected to undergo a large step change once the New Zealand mobile speed contract is fully mobilised.

In the UK, the region began its first long-term program with Devon & Cornwall Police in August 2024 following a successful trial in February and March 2024. A trial was also undertaken with Transport for Greater Manchester to gain a better understanding of how many drivers break the law and help refine future road safety campaigns.

In the US, the Company saw a number of new long-term programs go live. The state of Georgia commenced real-time distracted driving and seat belt enforcement for commercial vehicles, whilst the Arkansas Department of Transportation commenced real-time speed enforcement for workzones following a pilot in the second half of FY24. Furthermore, North Carolina renewed its program for another year, and data collection activities were undertaken in other states.

The Company has kept up the pace with research and development activities. There were significant advances in road worker safety technology including execution of the first long term commercial contract with Fulton Hogan to deploy the technology at selected worksites across Australia. In addition, after several years of effort the Company was able to undertake the first real world testing of an impaired driving detection solution with Devon & Cornwall Police, testing the integration of drugs and alcohol detection capabilities into the Heads-Up system to identify impaired drivers. Furthermore, there was continued progression of the Company's railway safety monitoring solution, with an Australian jurisdiction proceeding with a contract for proof-of-concept safety camera deployments.

Reflecting the significant growth in the total contracted value of the business and the opportunities in front of it, the Company further set itself up for long term success by conducting a capital raise in December 2024 which resulted in net proceeds of \$11.3 million. This capital provides additional balance sheet strength to support future growth opportunities and investments in new solutions.

### **Significant changes in the state of affairs**

There were no significant changes in the state of affairs of the consolidated entity during the financial half-year.

### **Matters subsequent to the end of the financial half-year**

In January 2025, Transport for NSW provided notice that they would extend the NSW Mobile Speed Camera program contract for another year of operations, extending the service to 30 June 2026.

No other matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

### **Rounding of amounts**

The Company is of a kind referred to in Corporations Instrument 2016/191, issued by the Australian Securities and Investments Commission, relating to 'rounding-off'. Amounts in this report have been rounded off in accordance with that Corporations Instrument to the nearest thousand dollars, or in certain cases, the nearest dollar.

**Auditor's independence declaration**

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this Directors' report and forms part of the Directors' report.

This report is made in accordance with a resolution of Directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

On behalf of the Directors

1. During the period, the consolidated entity corrected the presentation of the receipts from customers and payments to suppliers and employees in the consolidated statement of cashflows to reflect GST recovered from, or paid to, the ATO on a gross basis in line with the consolidated entity's accounting policy. The comparative balances for the period ended 31 December 2023 have been amended accordingly. The amendment has resulted in an increase of cash receipts to customers (including GST) and payment to suppliers (including GST) by \$3.6 million for the six months ended 31 December 2024 and \$1.1 million for the six months ended 31 December 2023. There is no impact on the net cash flows from operating activities over both periods as a result of this correction.

*The above consolidated statement of cash flows should be read in conjunction with the accompanying notes.*

## **Note 1. Significant accounting policies**

These general purpose financial statements for the half-year reporting period ended 31 December 2024 have been prepared in accordance with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Act 2001, as appropriate for for-profit oriented entities.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding half-year reporting period, unless otherwise stated.

On 1 July 2024, the Company revised the useful life of its camera equipment from 3-5 years to 3-7 years due to longer track record of being in operations and a better understanding of the longevity of the assets themselves. This change in accounting estimate resulted in a reduction of depreciation expense by \$0.5 million for the current period.

### **New consolidated entity**

On 31 October 2024, the Company incorporated Acusensus NZ Limited, a New Zealand-based entity. This entity has been fully consolidated into the Group's financial statements as of 31 December 2024, with its financial results integrated from the date of incorporation.

### **Comparatives**

Comparative figures where appropriate, have been reclassified to be comparable with the figures presented for the current financial year.

### **New or amended Accounting Standards and Interpretations adopted**

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

## **Operating segments**

### *Identification of reportable operating segments*

These operating segments are identified based on the internal reports that are reviewed and used by the Board of Directors in assessing performance and in determining the allocation of resources. Similar operating segments can be aggregated to form one reportable segment. Accordingly, the consolidated entity only operates as one segment.

### *Accounting policy for operating segments*

Operating segments are presented using the 'management approach', where the information presented is on the same basis as the internal reports provided to the Board of Directors. The Directors are responsible for the allocation of resources to operating segments and assessing their performance.

## **Going concern**

The consolidated entity's financial statements have been prepared on the going concern basis of accounting, which assumes the continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

**Note 15. Events after the reporting period**

In January 2025, Transport for NSW provided notice that they would extend the NSW Mobile Speed Camera program contract for another year of operations, extending the service to 30 June 2026.

No other matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

**Acusensus Limited  
Directors' declaration  
31 December 2024**

In the Directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 Interim Financial Reporting, the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the consolidated entity's financial position as at 31 December 2024 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of Directors made pursuant to section 303(5)(a) of the Corporations Act 2001.

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Acusensus Limited

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the half-year financial report of Acusensus Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2004, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Group's financial position as at 31 December 2004 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

#### Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### **Auditor's responsibility for the review of the financial report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
